

NATHAN GROFF

Nathan Groff moved to the Manasota area in 1995 after his parents accepted a local pastorate. He graduated from the University of South Florida with his master's degree in Social Work, with his focus area being young people and the family unit. He also specializes in adoption and foster care cases due to his background of being adopted from South Korea when He was five months old. He has also had the privilege of serving as a youth pastor in a local church for four years, and has been involved in various youth, substance abuse, and mentoring ministries and organizations for the past several years. He is passionate about Jesus, loving people, and seeing the family unit healthy and restored.
