

WILL POTTS

Will Potts is a vibrant young man who is tasked with instilling the vision of healthy relationships to the next generation. He worked as a youth pastor for 5 years and graduated from Calvary Chapel Bible College. He loves to connect with youth and help them through the struggles that today's world is putting in their paths. Will also works quite heavily with graphic design and layout to ensure Live the Life is keeping with modern trends. Will Moved his new family to Jacksonville from the state headquarters of Live the Life in Tallahassee specifically to work with students in Duval County. He has a passion for seeing teens make better life decisions and is very excited to see this take root in Duval County.
